

Understanding Diversity Working Towards Integration Living Globalization

Main Projects

AURA FOUNDATION

www.aurafundacion.org

Aura Foundation is a workplace inclusion project for people with intellectual disabilities through the "Supported Employment" methodology. Since its inception, Aura has assisted nearly 1,000 individuals. Additionally, in order to promote workplace inclusion, Invest for children has invested 1 million euros in CaixaBank savings plans for employees with intellectual disabilities.

SJD PEDIATRIC CANCER CENTER BARCELONA

www.hsjdhospitalbarcelona.org

The SJD Pediatric Cancer Center Barcelona is a specialized center for the treatment and research of childhood cancer. Invest for children is one of the founding donors that has supported the creation of Spain's largest pediatric oncology center, which is at the forefront in Europe.

SPECIAL OLYMPICS

www.specialolympics.es

Invest for children has sponsored the first network of Special Olympics Spain paddle schools, specialized for people with intellectual disabilities. Invest for children was also the official sponsor of the 2010 Special Olympics Summer Games in Shanghai, supporting the Spanish team.

DOWN TV

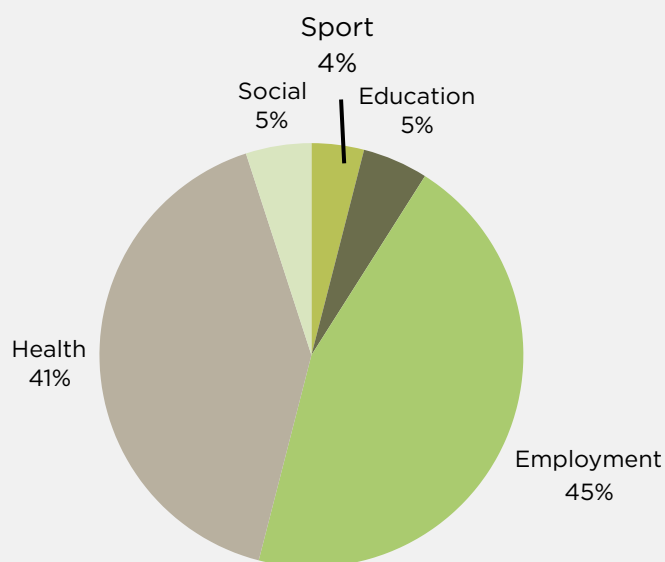

www.downtv.org

A website dedicated exclusively to Down syndrome. It contains over 4,000 videos and has reached 3,000,000 visits from 170 countries since its launch in 2010. This video library is aimed at both professionals and families seeking more information about Down syndrome.
