INVEST FOR CHILDREN

A DECADE OF ACTIVELY GIVING BACK TO SOCIETY

In 2000, Investindustrial established Invest for Children, a corporate foundation headquartered in Barcelona, Spain. The foundation's mission is to help physically and mentally differently abled young adults to achieve a better quality of life.

Invest for Children's past and current projects include supporting pediatric hospitals, assisting with work and social integration, and raising awareness and efficiency by adopting a long-term investment approach to the philanthropic community. By visiting www.investforchildren.org you can learn more about the initiatives and the foundation's partners.
